Graduate Assistantship Opportunity
Tropical Conservation Biology and Environmental Science

TCBES anticipates that several graduate assistantships will be available for the 2020-2021 academic year.

Incoming and current TCBES students are eligible to apply.

1. To apply for Fall 2020, you must submit the following materials:
   A. Cover letter indicating: 1) how you satisfy the minimum and desirable qualifications for this Graduate Assistant position, and 2) which department/classes you feel most highly qualified to instruct or assist. In your application clearly express your skills and abilities in teaching, communicating, and working with others.
   B. Curriculum vitae or resume
   C. Transcripts (official transcripts will be required prior to hiring; unofficial transcripts are acceptable for your initial communication)
   D. Names/telephone numbers/email addresses of three (3) professional references
   E. GA form
   F. Confidential Applicant Data form

If you are a student applying for admission to the TCBES program for Fall 2020, we will use what was submitted as part of your application materials for items A-D listed above.

Current TCBES graduate students must submit all the materials listed above as part of their application.

Electronic submissions only, attention to: Shelby Wong, hilograd@hawaii.edu. Please list the subject line as “GA application.” Priority deadline is 1 December 2019, after which applications will be examined until all positions are filled. See the Graduate School Admission website for more information: https://hilo.hawaii.edu/academics/graduate

Successful applicants are expected to be enrolled in the TCBES graduate degree program in August 2019. Review of applications will begin on 1 December 2019, which is the priority deadline, but applications will continue to be reviewed after that date until all the positions are filled. Please contact Dr. Tracy Wiegner, Director TCBES Graduate Program, with any questions regarding this program (808-932-7594; siegner@hawaii.edu).
